OPTIONAL NOTE LENGTHS

3, 5, 7, 9, 13 seconds.

PLAYER MUST CHANGE REGISTER AND NOTE LENGTH FOR EACH NEW ATTACK

Always GLISSING UP / . . . . .

At every return to a register, BEGIN from where you LEFT off

IF A NOTE BECOMES IMPOSSIBLE TO SOUND DUE TO THE LIMITATION of a volume

cautionary anyway, the resulting sound will be FINE!

Multiphonics can be sounded at any point where the lines intersect and at

any point inbetween as the player sees fit, but MUST play one on either line intersection.

Duration — As long as possible — Due to LIMITED range of GLISS

or as long a program allows . . . . .

Now Follow THE LINE BETWEEN PFP AND PPP . . . . .
